Yeah yeah!

Can you take it, can you take it away
But I don't think that, I don't think that you can
Handle it that way, my heart is wrapped in caution tape,
Fragile, handle with care. My empty hand is reachin out
And only touchin, touchin air but you always manage to
Make me trust, I'll catch you when you fall
(I'll catch you when you fall)

Don't say it, if you don't follow through it hurts
Make no love the multiple emotions of hurt
Now I'm gaurdin my heart cause when you get this
Part, you know I gotta turn away. when I'm vulnerable
And gullible I gotta turn away.

Your repeatin, repeatin history
It's like deja vu, when it slaps your face with reality,
Like you to fall back into those eyes
Just counting whatcha did to me, the repeated hurt,
Cycle of life, heart gotta beating
But you always manage to make me trust,
I'll catch you when you fall
(I'll catch you when you fall)

Don't say it, if you don't follow through it hurts
Make no love, the multiple emotions of hurt,
Now I'm gaurdin my heart cause when you get this
Part, you know I gotta turn away. when I'm vulnerable
And gullible I gotta turn away.

It's like clock work and your back again
Begging for a millionth chance cause tell me that you'll
clutch(?)me

Don't say it, if you don't follow through it hurts
Make no love the multiple emotions of hurt
Now I'm gaurdin my heart cause when you get this
Part, you know I gotta turn away. when I'm vulnerable
And gullible I gotta turn away.

Yeah! yeah...
