Shoveling your shit down my throat  
Piling high, making me choke  
Spending your life to ruin mine  
All you want is to watch me die

Losing this game, losing my mind  
Taking the blame, antagonized

I just want to crush your fucking head  
Veins start to pop and flow  
Can't stop the rage, it grows

Losing this game, losing my mind  
Taking the blame, antagonized

Hot rage, it swells, infects, disturbs  
Rage can't be quelled, so deep it burns  
Why won't it stop, making no sense  
When will it end, call on violence

Antagonized, antagonized, antagonized  
Antagonized, antagonized, antagonized

Hot rage, it swells, infects, disturbs  
Rage can't be quelled, so deep it burns  
Why won't it stop, making no sense  
When will it end, call on violence

Antagonized, antagonized, antagonized  
Antagonized, antagonized, antagonized

I just want to crush your fucking head  
Veins start to pop and flow  
Can't stop the rage, it grows

Losing this game, losing my mind  
Taking the blame, antagonized
