[Music: Fasciana; lyrics: Hoffmann]

Grabbing repent  
Clutching remorse  
Sins that are breathed  
Sins at your source  
Dumped blood upon the ground  
Soaked up integrity  
Broken limbs, broken screams  
Spitting out obscenity  
Disregard all life  
Take fast make strikes  
Tearing flesh to bone  
Nothing left, no moans  
Planted bodies, shallow graves  
Rotted flesh, nostril craves  
Abandoned hope and soul  
Trapped inside, darkened hole  
Bone exposed [3x]

*Peel the flesh down to white  
No more blood, no insides  
Bleaching bones calcified trophy  
Spindly veins feel now atrophy  
Darkened call coming forward  
No resist right is ignored  
Blaring on no one survives*

*Wrath is on everyone dies  
Bone exposed [3x]*

*Extinguish all life, this sin by my hand  
Ripped down to bare bone  
Now watch blood expand  
Blade drawn stiffly clutched  
Skin sliced tendons off  
Body lifeless falls like shit  
Exposed bone crimson fit*

*Peel the flesh down to white  
No more blood inside  
Bleaching bones calcified trophy*

*Spindly veins feel now atrophy  
Darkened call coming forward  
No resist right is ignored  
Blaring on no one survives  
Wrath is on everyone dies  
Bone exposed [3x]*
