See your face, chin you hard  
Drive my fist, lips will part  
Face bones smash, pummeled down  
Stomp your ass into the ground

Shut up fast, blackened eyes  
In the dirt, whimpered cries  
Try to stand, knocked back down  
Break your arm, splintered sound

Gurgled blood in your throat  
In the ribs, body folds  
Get back up, piece of shit  
Again your face I want to hit

Swollen face, swollen lips  
See it coming, start to piss  
Feeling blows raining hard  
Bone now shows, just the start

See your face, chin you hard  
Drive my fist, lips will part  
Face bones smash, pummeled down  
Stomp your ass into the ground

Shut up fast, blackened eyes  
In the dirt, whimpered cries  
Try to stand, knocked back down  
Break your arm, splintered sound

Gurgled blood in your throat  
In the ribs, body folds  
Get back up, piece of shit  
Again your face I want to hit

Swollen face, swollen lips  
See it coming, start to piss  
Feeling blows raining hard  
Bone now shows, just the start

I will crush your world  
Instinct pushes onward

Impulsive violence  
Compulsive face breaker

See your face, chin you hard  
Drive my fist, lips will part  
Face bones smash, pummeled down  
Stomp your ass into the ground

Shut up fast, blackened eyes  
In the dirt, whimpered cries  
Try to stand, knocked back down  
Break your arm, splintered sound

Gurgled blood in your throat  
In the ribs, body folds  
Get back up, piece of shit  
Again your face I want to hit

Swollen face, swollen lips  
See it coming, start to piss  
Feeling blows raining hard  
Bone now shows, just the start
