Serpent, symbol of earth  
Rainbow, symbol of Heaven  
Between the two all creatures must live and die...  
But because he has a soul  
Man can be trapped in a terrible place  
Where death is only the beginning

Io Magus, Io Bakor  
Negative pulse no brainwaves no response to pain  
Io Magus, Io Bakor  
He was put in a coffin... and buried  
Io Magus, Io Bakor

The dark presence of death  
As real as cold hand falling on my shoulder  
A warning that's what I felt in those eyes

I remember it all... the coffin... the burial  
I heard the dirt falling over me  
The darkness pressed me down  
This is my place, not with the living  
Tetrodotoxin, it runs trough the skin to the soul

No rest, you will see all  
The cold of the coffin  
And when you wake up scream as you want  
There is no escape from the grave  
There is no escape from the grave

Down with me  
Bakor sends me into people's nightmares

Down with me  
Bakor sends me into people's nightmares  
Where shit floats  
Where I'm no longer free
