Substantiate the right to hate.
Violent shape takes on meaning.
Passed down through the ages.
Genetic spiral mutates.
Growing affliction slices fate.
One need, one soul, out of control.
Wanders the world in search of hate.
Genetic spiral mutates.
Violence instilled.
Aberated need to kill.
No rational reason.
To explain your bleeding, bleeding.
BLEED!
Rise, anxiety grows in me.
Alive, emotional pittance of life.
Unleash, torn from the womb to bleed.
Condemned, wreaking murder floods my sight.
Letting of blood, evolve through time.
Eventual demise, obsession of the crime.
Cantankerous objective.
Carnal thoughts guide the mind.
Step inside this soul.

Blood of others, you only find.
Growing epidemic swells.
Means of killing forever grow.
Life has no meaning or cause.
Feeling blood's valve flow.
Violence never ceases.
Entrapped by it's pull.
Normal life is fleeting.
Genetic affliction.
Caught up in the demon race.
To conquer all of life.
Anxious sweat falls from the face.
Genetic affliction.
Neverending.
Generation continue to explode.
Violence mutating.
Affliction overflows.
Genetic affliction.
