Life marked for the hit, before a man that=B9s sworn
to hate, to plan =
his kill, premeditate.
Contracts are signed, victim dies, tools of the trade,
build to =
slay, no detail left to careless thought.
Relentless pursuit of accuracy, the touch of death,
addicted needs.
Whatever it takes to make you bleed, gunning for you
now.
Heed the call of his brain, self taught and killing
trained, can =
never lose the game.
Excitement and adrenaline instilled, living for the thrill
to kill.
Embrace the chase and the stalking.
Cold polished steel, tight in his fist. With vigor, looking
over the =
victims on his list.
The power possessed keeps his life sustained, the
power invested is =
to power to slay.
Plead for your life.
This makes his smile wide.

Please don=B9t take my life.
Enjoy your begging now you..DIE!
Can never feel repent, can never feel remorse, just set
to fulfill =
his violent course
Excitement and adrenaline instilled, living for the thrill
to kill.
Embrace the chase and the stalking.
Play again and again, play as much as he can, play
until the very =
end.
Feel no pain, never loss, only gain. A killer who=B9s
quite sane.
=B3I=B9ve done it always...as far as you=B9ve known
or heard..There isn't =
too many things I haven=B9t tried...no matter has it
was done, I mean =

I=B9ve known guys that went to sleep and never woke
up again, I mean, =
you know ha, ha, ha....=B2
