Searching through your fears  
Thunderous voice calls  
Darkness gives and takes  
Your desire your mistake

From the ground below  
Winds of torment grown  
Stronger the warning  
Stronger you feel  
The endless journey  
In search of fear  
Takes all and ends all  
Hopes of payback crushed

Swallowed and spat out  
From the earth that ate you  
The gates to life are closed now  
Your future is at halt  
Take heed to the inferior  
Beings that you've summoned  
Jorney's end the search is over  
When you're dead, you dead forever

Searching...  
...your mistake.
