Barbaric and savage, in their own ways  
Showing no mercy they will not refrain  
A passion for violence never before seen  
Longing for bloodshed the highest degree  
Committed to kill  
The merciless  
Chosen prey  
Life denied  
Severely tortured  
Before they die  
Barbaric and savage, in their own ways  
Showing no mercy they will not refrain  
A passion for violence never before seen  
Longing for bloodshed the highest degree  
Torment before they're slain  
Ignoring hallowed cries  
Inflicting horrid pain  
Body count starts to rise  
Cruelty guides their means  
Methods rancorous  
Unmatched killing spree  
Beyond malevolence  
Committed to kill  
The merciless  
Barbaric and savage, in their own ways  
Showing no mercy they will not refrain  
A passion for violence never before seen  
Longing for bloodshed the highest degree
