Hunting, the quest for the kill  
Taking ones life the ultimate thrill  
Voracious, desire so grand  
Carnage and victory go hand in hand  
Fatality's increasing, countless numbers slain  
Survival, afflictions and personal gain  
Hostile, malicious onslaught  
Compelled to slay, until death or till caught  
History will always repeat  
Ordained to vanquish will never complete  
Fatality's increasing, countless numbers slain  
Throughout our history murder has reigned  
Victims at hand  
Victims at hand  
Laid to rest  
Instinct to kill  
Who is next?  
Hunting, the quest for the kill  
Taking ones life the ultimate thrill  
Voracious, desire so grand  
Carnage and victory go hand in hand  
Fatality's increasing, countless numbers slain  
Survival, afflictions and personal gain  
Hostile, malicious onslaught  
Compelled to slay, until death or till caught  
History will always repeat  
Killing and killing until no one is seen  
Fatality's increasing, countless numbers slain  
Throughout our history murder has reigned
