Preyed, preyed, preyed
Preyed upon
Preyed, preyed, preyed
Preyed upon

Killing culture
No fear of reprisal
Murder of thousands
Need flesh to survive

Cannibal species
Brings human decay
Carnivorous activity
Unspeakable acts

Impregnated slave
Unborn child beaten
Bred to obey
Mankind now defeated

Carnage littered grounds
Stripped of flesh completely
To feast upon the slain
Cruor need to bleeding

Readiness to consume
The blood of your next kill
Bare hands to break your neck
And smash your fucking skull

Appetite for red
Preyed upon and left for dead
Victims you will be
Of this ruthless killing spree

Preyed, preyed, preyed
Preyed upon
Preyed, preyed, preyed
Preyed upon

Killing culture
No fear of reprisal

Murder of thousands
Need flesh to survive

Cannibal species
Brings human decay
Carnivorous activity
Unspeakable acts

Impregnated slave
Unborn child beaten
Bred to obey
Mankind now defeated

Readiness to consume
The blood of your next kill
Bare hands to break your neck
And smash your fucking skull
