Disregard for law and order  
Will of God slain  
Assailants born to wreck his world  
Inhuman rage

Madman gaining profit  
Delivering disease  
This twisted achievement  
Now belongs to me

I will make you bleed  
Killing in my game  
No mercy don't care  
Shred humanity

Disregard...

Egoistical  
Don't want to die in shame  
Future world condemned  
Heartless rulers to blame

Cold blooded killer  
Thick skinned and ruthless  
Can't prevent his triumph  
Boundless hatred will rise

I will make you burn  
Take your lives away  
Cities laid to waste for eternity
