[Music: Rios, Fasciana; lyrics: Hoffmann]

No wake, from this sleep  
Still see, the empty gaze  
Still see, the faceless teeth  
Rictus surreal

Locked in unfettered embrace  
How is this so real  
Why now, the grin still says  
Rictus surreal

Horror explodes filling the soul  
No betrayal of face contorted it stays  
Can't I take the eyes, staring at nothing  
Don't view the grin, denied a shutting

Rictus surreal, rictus surreal

Holding on to what's left  
Ecstasy or grimace  
Ending life with no fear  
Struggle unclear  
To attack your own end  
Triumphant grin you endured  
Maybe nothing may only be  
Just nerves

Holding on to what's left  
Ecstasy or grimace  
Ending life with no fear  
Struggle unclear

To attack your own end  
Triumphant grin you endured  
Maybe nothing may only be  
Just nerves

No wake, from this sleep  
Still see, the empty gaze  
Still see, the faceless teeth  
Rictus surreal

Locked in unfettered embrace  
How is this so real  
Why now, the grin still says  
Rictus surreal [3x]

*Holding on to what's left  
Ecstasy or grimace  
Ending life with no fear  
Struggle unclear  
To attack your own end  
Triumphant grin you endured  
Maybe nothing may only be  
Just nerves*
