Immorals strike may scarify  
Hunting for your should  
Gasp in awe, witnessing death  
End of glory born

Destroy the throne, impale his might  
Blessed in blood and tears  
Mortify them, crush their home  
Desecrate the lair, lair

Defy the sacred, rape the whore  
Waste all those who flee  
This is my body and my blood  
All shall taste my feast

Exhort to learn the technique of sacrilege  
Apostasy of true faith, desecrate  
Plague of abomination, inflicting hate  
Abolish all the children, fatality, exhort

Combusting altar, disaster unleashed  
Forlorn ashes fall  
Barren vatican, forsaken praise  
Sarcastic heresy, fall

Copulate, heave the wench, offered soul, pain in flesh  
Tormented being of rage, delivering the pain  
Fraudful preacher falsifies, affiance decays  
Fall of the evangelist, no posterity  
Superior possession, amits regnancy, pain

Immorals strike may scarify  
Hunting for your should  
Gasp in awe, witnessing death  
End of glory born
