Unknown ruination that await
Colors are changing, levels are raised
Invading our lives, within our minds
Fears now rise
Sense of affliction begins to increase
Contrive against all but nothing is seen
Stricken with panic, living in fear
Shock and awe
Growing hysteria within the masses
Mock civilians, trained assassins
Armed with weapons of mass destruction
Terror strikes
Hostile forces, deadly intentions
Hidden agendas they have spawned
Fueled by their religious madness
Shock and awe
Destruction so extreme
For all the world to see
Retaliation guaranteed to unfold
Systematic devastation of all
Unknown ruination that await
Colors are changing, levels are raised
Invading our lives, within our minds
Fears now rise
Sense of affliction begins to increase
Contrive against all but nothing is seen
Stricken with panic, living in fear
Shock and awe
Destruction so extreme
For all the world to see
Retaliation guaranteed to unfold
Systematic devastation of all
Growing hysteria within the masses
Mock civilians, trained assassins
Armed with weapons of mass destruction
Terror strikes
Hostile forces, deadly intentions
Hidden agendas they have spawned
Fueled by their religious madness
Shock and awe
Destruction so extreme
For all the world to see

Retaliation guaranteed to unfold
Systematic devastation of all
