So Sad  
(Still in Love)  
by: Maliah M.

Verse1(F) : I woke up this morning  
Started to cry  
The pain I feel is so intense  
I wanna lay here and die  
See I made you my world  
And you broke my heart  
How could someone I held so dear  
Tear my world apart

Chorus: (F): Now it's so sad  
Cus I'm still in love (M: Cus I'm still in love)  
(M) Too bad  
That I'm still in love (F: Still in love)  
(F): Gotta move on  
But I'm still in love (M: me too)  
(B): And its so sad  
It's just too bad  
Cus we're still in love

Verse 2 (M): Never meant to hurt you  
Baby i just want you to understand  
I knew I couldnt do you right  
All I wanted, was to be the perfect man  
So one day I decided  
It was time for me to leave  
I never knew I'd come runnin back  
And now I'm beggin you please

Chorus

Bridge:  
(F) Now I know  
Like you know  
That you never wanted to  
Let this thing go  
So why did you pretend  
That we needed to end

When you knew we'd be  
Right back here again  
(M) See it wasn't like that  
I needed some time to myself  
But you never knew  
Cus you were wrapped up in yourself  
You never tried to make this thing  
Work for you  
Or work out for me  
(F) But all this doesn't matter  
We can fix this because  
You know more than me  
That we're both still in love

Chorus
