dark thoughts  
always in my mind  
but everytime i think of you  
sunshine i find  
you are the center of my heart  
and you hold the key  
i just can't get over  
the way you love me

you never ever make me cry  
you never ever tell me lies  
you only try to make me smile  
try to make this love worthwhile  
you've proven to me you're true  
and that's why i love you

days have gone by  
that i've cried myself to sleep  
and when we fight  
i cannot eat  
you've helped me learn and grow  
and to find myself  
you love me  
like i've been loved by no one else

you never ever make me cry  
you never ever tell me lies  
you only try to make me smile  
try to make this love worthwhile  
you've proven to me you're true  
and that's why i love you

i cannot believe  
you were right here all this time  
but i guess they are right  
true love is hard to find  
the day i fell for you  
was the happiest day of my life  
to be completely honest  
you probably saved my life  
you make me who i am

and i am glad  
you are my man

you never ever make me cry  
you never ever tell me lies  
you only try to make me smile  
try to make this love worthwhile  
you've proven to me you're true  
and that's why i love you

you never ever make me cry  
you never ever tell me lies  
you only try to make me smile  
try to make this love worthwhile  
you've proven to me you're true  
and that's why i love you
