"My Only Fan"

Some call me Georgie Boy
Some call me Landrew
Some say my mind has sores
Some call it a crucifix

Some call me Georgie Boy
Some call me Jesus
Some call me in Detroit
In my luxury

You broke my heart-call it sweet surrender
Broke my only fan-call it body language
You broke my only fan (yes ya'did)

Some call me Landry man
Some call me cowboy
Some call me Danny White
Some call me Eugene Lockhart

Some say my mind has sores
Not 4 the taking
Desmond lives in my eyes
With tears of joy

You broke my heart-call it sweet surrender
Broke my only fan-call it body language
You broke my only fan (yes ya'did)
