I'm outta luck, outta love  
Gotta photograph, picture of  
Passion killer, you're too much  
You're the only one I wanna touch

I see your face every time I dream  
In every page of a magazine  
So wild and free, so far from me  
You're all I want, my fantasy

Oh, oh, look what you've done to this crowd  
Oh, oh, look what you've done  
I gotta have you

(Photograph)  
I don't want your  
(Photograph)  
I don't need your  
(Photograph)  
All I've got is a photograph

I'd be your lover, if you were there  
Put your hurt on me, if you dare  
Someone, you got style  
You make everyone feel like a child

Oh, you got some kinda hold on me  
You're all wrapped up in mystery  
So wild an' free so far from me  
You're all I want, my fantasy

Oh, oh, look what you've done to this crowd  
Oh, oh, look what you've done  
I gotta have you

(Photograph)  
I don't want your  
(Photograph)  
I don't need your  
(Photograph)  
All I've got is a photograph

Oh, oh, look what you've done to this crowd  
Oh, oh, look what you've done  
I gotta have you

(Photograph)  
I don't want your  
(Photograph)  
I don't need your  
(Photograph)  
All I've got is a photograph

I'm not in in love  
I'm not attached  
(Photograph)  
You're only one  
(Photograph)  
I'm not attached

I'm not in in love
