Caught between the crevice of delusion and reality
surge vague twine rip assault mind
through the shattered pieces of glass countless rays of
light are reflected

In my ruined and dissoluted mind
I ridicule nihility, I dissipate in solitary
Cold blood flows
My faded mind is flipping through

From yonder of darkness, pierced light awaken the
past
Eternity of time is ticking away endlessly,
Reminiscence
From yonder of time, the present tied to the past
With pieces of recollection, Reminiscence

From yonder of darkness, the broken pieces of
recollection, Reminiscence
Eternity of time is ticking away endlessly,
Reminiscence

Why am I here nowhere ?
Just stare at the end of the everlasting infinity
Enormous wandering shadows are crumbing
Time passes as your heart mingles with the flowing
waters

From yonder of darkness, the broken pieces of
recollection, Reminiscence
Eternity of time is ticking away endlessly,
Reminiscence

Slimy hole bind detain insane sensual
surge vague twine assault mind
Crumbing forms are closing in towards me
I wish everything would collapse and scatter away

From yonder of darkness, pierced light, Reminiscence
Recollection, Reminiscence
Reminiscence
