Contrary to popular opinion I dun been found religion  
Jesus was on the album cover, the Lord Willing  
A brush with death and a 32 year sentence is enough to  
bring the illest of sinners to repentance  
to the project tenents for every rock sold that ended up  
in a pipe and should have been school clothes  
to every chick I cut, I reckon I suppose, an apologies in  
order  
not all of you were hoes  
roll with the winners know Tony eating schools  
400 months don't equal no amount of blow  
so I tell my son, you gotta pick your friends better

I love Geezy to death but I have yet to write a letter  
the storms we've dun weathered all came at a cost  
but don't ask where is Malice, Malice is never lost  
no rhave I gon soft better rethink your thoughts  
Wretched, Pitiful, Poor, Blind & Naked thats book  
smarts!
