"Your Grace"

For all this time I've been trying
To grab the beauty of your laugh
And I get no rest in this beauty quest
Still your mystery makes off
You clear up my demeanour
I long for your embrace
All you can say is outspoken
Every moment's filled with grace

I wonder if there's something sweeter
Than Sunday dawn kissing your eyes
Than letting you into my foamy river
To you my heart has no disguise

The healing that you gave me
Is making my soul sing
You crawled beneath my veins and from now on
I know I'll give you anything.
