What are you doing to yourself again?  
Denying what you could have been

Well, it's not alright with me  
This is not how you're supposed to be  
?Cause I know just where you are

You're a little lost right now  
But you'll find your way somehow  
All the demons that you fight by yourself  
Don't be scared ?cause I'll be there  
(Don't be scared)  
Don't be scared, yeah, I'll be there  
Don't be scared

There's no one left to blame this on but you  
And you're so jaded, so damn frustrated  
You can't see the other side

And it's not alright with me  
This is not how you're supposed to be  
?Cause I know just where you are

You're a little lost right now  
But you'll find your way somehow  
All the demons that you fight by yourself  
Don't be scared  
(Don't be scared)  
That?s why I?m saying

You're a little lost right now  
But you'll find your way somehow  
All the demons that you fight by yourself  
Don't be scared  
(Don't be scared)  
Don't be scared ?cause I'll be there  
(Don't be scared)

Don't be scared, I'll be there  
Don't be scared, yeah, I'll be there  
Don't be scared, don't be scared  
Don't be scared

Don't be scared  
Don't be scared  
Don't be scared
