Cinder Road
"If You Don't Like It"

I don't need anyone
To tell me how to run my life
Got along alright so far
I don't really think I need to hear your advice
I've got my mind made up know what I wanna do
I'll do it anyway I choose
So just sit back shut up for a minute let me show you
what I'm gonna do

I ain't got no time to waste on you
You ain't got no time to give
Too hung up on all you did

If you don't like it
If you don't like it I don't care
If you don't like it
Hit the road cause I just don't care
If you don't like it
If you don't like it I don't care
If you don't like it
Hit the road cause I just-just-just don't care

I've seen em come and go
The kind that do it all for the show
They got their walkin' talkin' built in jive
I don't really think they're workin' nine to five
Take it to your heart gonna tell ya from the start
Gonna send a word or two your way
So just sit back take a ride on your pony
It'll all come back to you one day

I ain't got no time to waste on you
You ain't got no time to give
Too hung up on all you did

If you don't like it
If you don't like it I don't care
If you don't like it
Hit the road cause I just don't care
If you don't like it
If you don't like it I don't care

If you don't like it
Hit the road cause I just-just-just don't care

If you don't like it
If you don't like it I don't care
If you don't like it
Hit the road cause I just don't care
If you don't like it
If you don't like it I don't care
If you don't like it
Hit the road cause I just don't care

If you don't like it
If you don't like it I don't care
If you don't like it
Hit the road cause I just-just-just don't care
If you don't like it
If you don't like it I don't care
If you don't like it
Hit the road cause I just don't care
