You wanna touch the sky  
You want the stars to shine your name, yeah  
You wish the world would stop when you get in the mood  
But only God can do that

You got nothing to lose and everything to prove  
Wanna climb to the top till you get to the clouds  
You can't do that for crying out loud

If you wanna fly away  
I'd give you wings today if I could  
I'd stop the rain, take all the pain away  
I'd do all I can but I ain't superhuman

If I can't help you out  
And you can't help yourself, yourself, no  
Then what's it all about, does it mean anything?  
Should we be living like that

You've got something to say but nobody hears  
So you talk in your sleep like a runaway train  
Without a dream, you'd be going insane

If you wanna fly away  
I'd give you wings today if I could  
I'd stop the rain, take all the pain away  
I'd do all I can but I ain't superhuman

For only a moment  
If only for a day, you could go crazy  
Then all of the world would be following you  
Doing the things that you want them to

If you wanna fly away  
I'd give you wings today if I could  
I'd stop the rain, take all the pain away  
I'd do all I can but I ain't superhuman  
I'd do all I can but I ain't superhuman  
Yeah, I'd do all I can but I ain't superhuman

If you wanna fly away

I'd do all I can but I ain't superhuman  
Yeah, I'd do all I can but I ain't superhuman
