Senketsu ni somaru mirai no toki
hageshiku modaeru honnou...

Place of silence, moving shadows
crimson eyes are strangely gleaming in the darkness
madness starting to awake
playful desire starving of blood
get down, limitless night

Beast of blood

Along with the scream from the death throes
sharp claws are shining brighter
dually obscene breaths continues
and rips apart the silence of the night
crossing the uplifted life
get down, limitless night

Beast of blood

Kokuyuu ni karamaru chi no kaori ga
koukotsu no yoru ni tadayou
senketsu ni somaru mirai no toki
hageshiku modaeru honnou

Kokuyuu ni karamaru chi no kaori ga
koukotsu no yoru ni tadayou

Beast of blood

No fear, no sadness
lofty life is tasting loneliness and eternity
and near by the target with no more life
red drops on my greedy lips
falls down on the freezing ground
get down limitless night

Beast of blood

Spills blood on me 'til it fills my body

Kokuyuu ni karamaru chi no kaori ga

koukotsu no yoru ni tadayou
senketsu ni somaru mirai no toki
hageshiku modaeru honnou

Tsumetai karada ni hotobashiru
yokubou o akai chi de uruosu
kairaku no sakebi hibiku yoru ni
surudoku myaku utsu honnou

Kokyyu ni karamaru chi no kaori ga
koukotsu no yoru ni tadayou
senketsu ni somaru mirai no toki
hageshiku modaeru honnou
