All is somnolence in this realm

Tempted by a voice from yonder

I descend a spiral staircase at the end of a corridor

Where chill and mist intertwine

As I penetrate deeper and deeper into the
subterranean space where silence dwells

It gradually extinguishes my perception

Sudden blaze of glaucous light melts away
surrounding darkness

My one forgotten memories are chiselled upon my
body

Chill and mist Subterranean space

Silence Gradually Gradually Gradually...

Like a drop, I fell and dissolved

Whisper or mind leads me

All is somnolence in this realm eternally

Eyes perceive wondrous labyrinth of calm water veins

I drown into liquid darkness of froth and stagnation

Like a drop, I fell and dissolved

Whisper or mind leads me

All is somnolence in this realm everlastingly

The subterranean space where silence dwells

It gradually extinguishes my perception
