In 197666 I was born a bastard and a son of a bitch
And I'm sick, sick motherfucker sick

In 197666 I nailed a GI Joe to a crucifix
And I'm sick, sick motherfucker sick
(pre-chorus)

I don't wanna' commit suicide
I just wanna' commit a homicide
Oh yeah, that's what I am
(chorus)

'76 born a son of a bitch

'76 born a son of a bitch
Oh yeah, that's what I am

In 197666 I had a porno mag inside my crib
And I'm sick, sick motherfucker sick

In 197666 I killed an animal rights activist
Because animals ain't got no rights, that's right
