(Lead: Joey)

Paranormal chicken geek

Drugged-up superstar fiend

Genderbending galactic freak

Sci-fi lobotomy

Exorcism, circumcision

Horrifying gruesome scene

Bloodsuckers, a motherfucking

Brain dead neurotic fiend

(chorus)

Sick, Get sick on this

You motherfuckers make me

Wanna' slit my wrist

Sick, so sick of this

I wanna' slit my wrist

A basketcase, stitched-up face

Be all you can be

Chiller, killer, monster thriller

Trigger happy zombie

Radiation, masturbation

Infect the other human beings

Supersonic, chronic vomit

Barbed wire cock ring

(chorus)

(Lead: Tripp)

Murder, murder, yes indeed

K-I-L-L-I-N-G

Murder, murder, yes indeed

K-I-L-L-I-N-G

(chorus)
