"Ashes And Bloodstench"

Die life

Live death

Life ashes

Upon the altar

Piety crushed

Beneath weight of our rage

Image of God

Piles of flesh

Ashes!

Darken the sky

Stench of blood

The harlots cry

Guide my path

As I reap

Puny lives

None shall flee

In thine grasp

Cursed tribes

See it fade

Glorious eyes

Ashes!

Burning paradise

Stench of blood

End of lies!
