"Entering Timeless Halls"

Visit "[Entering Timeless Halls](#)" on MotoLyrics.com

Beyond all dimensions
Hides a consciousness unknown
Thrown into a life
Where nothing has been seen
Entering timeless halls
Chained into darkness
There's no turning back
What you once did
Is the cause of your new existence
You've now met your Father
Where your soul was meant to travel
Entering timeless halls
Your name was carved in the stone
Which you carry with you
In this land of nothingness...
