Believe In Love by Malika Ayane

I found a thrill to live my lonely days

There's something special when I call your name

M like a mother

A like the air

L

I

K

A that's what I need to say

I found a word that ends my lonely days

At last my love has come along this way

C like your cigarettes

E like embrace

S

A

R

E that's all I need to see

Whatever happens to my lonely days

I know my life and yours will be the same

If you can't find the door

Let me be the one for

Whom you believe in love

If you can't find the door

Let me be the one for

Whom you believe in love
