Brighter Than Sunshine by Malika Ayane
My heart silvery bright

Brighter than sunshine

My eyes can brighten the sky

Way brighter than moonshine

No flame will ever outshine

This groovy kind of love

It's groovy kind of love

Fun love lighten my nights

Brighter than starshine

Fun times shine on my life

Brighter than moonshine

Holding back

Don't say ever goodbye

Feeling alright never to die

And now that the world

spins around

I want to be where I know

You'll go

Oh my we're making it right

Brighter than sunshine

I know we're keeping it tight
As far as the starshine
And no flame will ever outshine
This groovy kind of love
It's groovy kind of love
Holding back
Don't say ever goodbye
Feeling alright never to die
