As far as I can see
It's too much freedom for me
That's the way you like it
If she's so happy to be
It's never enough for me
And that's the way I like it

You taste humility
Without a referee
That's the way they like it

No commodities
Not even a cup of tea
That's the way they like it
Keep on feeling better
Love be pleased and stay

Really doesn't matter
Wake me up today

The particles I breathe
The remedy I never need
That's the way you like it

The scent of modesty
The judge that walks in peace
That's the way they like it

Keep on feeling better
Love be pleased and stay

Really doesn't matter
Wake me up today

Not even when I run on pride
I'll change and rearrange my kind

Not even when I run on pride
I'll change and rearrange my kind
