Thoughts And Clouds by Malika Ayane  
There she goes

Down my knees

She sings out loud

She says

Aaaaaaaaaaaaaaaaaaaaa

Here she comes

Through the clouds

Not old

Not new

The world

You knew

will change with you

And colours too

Aaaaaaaaaaaaaaaaaaaaa

Thoughts and clouds

Can drift or sway

Aaaaaaaaaaaaaaaaaaaaa

Now she's grown

She doesn't care

Drifting on

Rain and rainbows

She'll play with trees

And daisies too

To shine her love

Aaaaaaaaaaaaaaaaaaaaa

I can't take the flowers away

Her favorite game

Not old

Not new

The world

So rain and rainbows

Make a perfect day
