What are you waiting for Jamie?  
Who's that monster underneath your bed  
Give it a name  
Get out of your head  
I got two tickets to your show  
Don't wanna go solo

CHORUS:

Last time I checked  
The storm had moved West  
Last time I looked  
You were still soaking wet  
I will open up a window and let in some light  
Hang your heart out to dry

Who are you running from Jamie?  
Who's that demon dancing in your eyes  
Tell me a name or tell me goodbye  
I got good reason to leave

If I can't believe you

CHORUS

Bridge

DOUBLE CHORUS:

Last time I checked  
The storm had moved West  
Last time I looked  
You were still soaking wet  
I will open up window and let in some light

Before we drown  
I need some advice  
Before we die  
I need your sacrifice  
I will open up a window and let in some light

Hang your heart out to dry  
Hang your heart out  
Hang your heart out

What are you waiting for Jamie?
