I am your typical Aquarius  
With Libra rising so you don't have to ask  
And if you can't find that perfect line  
Well then, you can throw me a pass, yeah

Smash me, turn it up and blast me  
If you wanna have me, give it some gas and  
Crash me with all you got or pass me  
If you wanna have me then you better blow my mind

Stop burning a hole with your stare  
Come on take a chance and touch me there  
I don't mind a little bit of pressure  
'Cuz it can take some tension for two to get together,  
so

Smash me, turn it up and blast me  
If you wanna have me, you give it some gas and  
Crash me with all you got or pass me  
If you wanna have me, baby don't you waste my  
Don't you waste my time

So get it into your head  
I like my love on the edge  
I fall, I fall just to feel alive  
Oh yeah, yeah, yeah, yeah

You got to smash me, turn it up and blast me  
If you wanna have me, oh, oh, oh  
You better crash me with all you got or pass me  
If you wanna have me, oh yeah

So get it into your head  
I like my love on the edge  
I fall, I fall just to feel alive

Touch me, c-come on smash  
C-come on, c-come on smash  
C-come on, c-come on smash  
C-come on, c-come on smash  
C-come on, c-come on smash  
C-come on, c-come on smash

Smash
