I feel my body rotten
Before soft images
Night climax, hunger of pain

Libertinism ocean
Want my purification,
Imaginary paradise

Satan, guide my dagger
Satan, devour my soul
Satan, burn my flesh
Satan, devour my soul

Forest in sacred cult
Agony storm
A monumental suicide
Silence in the equinox
For the glory of the elevation
Burning remains
666 reasons to kill the king of the jews

Finally, the black sky
Domain of Armagedom
To the throne it arrives
