Let's pretend baby
That you've just met me
And I've never seen you before
I'll tell all my buddies
That I think you're sexy
And you say the same to yours

And oh, we'll dance around it all night
And then I'll follow you outside
I'll try to open up my mouth
And nothing comes out right

CHORUS:

And I wanna fall in love with you again
I don't have to try

It's so easy
Who needs to pretend?
But because it's so funny
Let's just think about it, honey
Let's just fall in love again

VERSE TWO:

You'll call me in three days
Not too soon or too late
And you'll ask my roommate if I'm home
You'll see me on Thursday
And we'll hang out all day
And we'll fall asleep on the phone

And oh, you'll hold my hand when we drive

And I'll put you in my top five
And we'll tell all our friends
That we have never felt so alive

CHORUS:

And I wanna fall in love with you again
I don't have to try

It's so easy
Who needs to pretend?

But because it's so funny
Let's just think about it, honey
Let's just fall in love again

BRIDGE:

We'll fall disgustingly fast
And we'll stop hanging out with friends
And they'll get so offended
And I wanna fall in love with you again

CHORUS:

Yeah, I wanna fall in love with you again
I don't have to try

It's so easy
Who needs to pretend?
But because it's so funny
Let's just think about it, honey
Let's just fall in love again
Let's just fall in love again
Oh, let's just fall in love again
