Have you ever been in love or  
Have you ever love someone  
Have you ever meet somebody but you had no one  
So baby why don't you stay a little

Have you ever been waiting  
Have you ever been below  
Have you ever had a meeting  
And had to come back home

So baby you should stay a little

I would say you ahaaa (in love)  
Na na nana  
Don't you leave me  
And please forgive me for what I didn't let you do

Have you ever been in love  
And then got pretty upset  
'Cause you realized the person wasn't who you met

So baby you should stay a little  
I would say you ahaaa
