Once upon a time there was a flying cat
Waiting for his time to fall

Once upon a time there was a falling cat
Waiting for his time to fly
He knows he ain't got wings, but he tried the window
He tried to jump to reach the sky

Once upon a time there was a cripple cat
Waiting for his time to walk
He knows he ain't got shoes or ain't either smoother
Hands
He wanted meet the world he can't talk

All those species tries tries tries
I know he can't
Old old (?breaven?) cries cries cries
He got seven times to live again
Once upon a time there was a bravo cat
Waiting for his new eyes
This cat ain't blind, as his heart he met(?)
He wanna meet the world he can't fly yet
