When your world's closing in  
And there's no place to hide  
And you're needing a friend  
To be there, at your side

Whether you're right or wrong  
This is where you belong  
Give it a try and you'll see

Move in a little closer, baby

Come in a little closer, baby  
Together, we can make it happen

Reach for my helping hand  
Then you will understand  
How simplified it can be

Move in a little closer, baby  
You've got to keep me closer, baby  
Come in a little closer, baby  
Together, we can make it happen  
Wait and see

Move in a little closer, baby  
You've got to keep me closer, baby  
Come in a little closer, baby  
Together, we can make it happen  
Wait and see

Move in a little closer, baby  
You've got to keep me closer, baby  
Come in a little closer, baby ...
