You with the sad eyes
Don't be discouraged, though i realize it's hard to
take courage in a world, full of people,
you can lose sight of it
And the darkness inside you
will make you feel so small

(Chorus)

But I see your true colors, shining through
I see your true colors, and that's why I love you
So don't be afraid, to let them show
Your true colors, true colors
Are beautiful, like a rainbow

Show me a smile, don't be unhappy
I can't remember when i last saw you laughing
If this world makes you crazy and
you've taken in all you can bare
You call me up- because you know I'll be there

(Chorus x1)

I can't remember when I last saw you laughing
If this world makes you crazy
and you take in all you can bare
You call me up- because you know I'll be there

And I see your true colors, shining through
I see your true colors and thats why I love you
So don't be afraid to let them show
Your true colors, true colors,
True colors, are shining through
I see your true colors and that's why i love you
So don't be afraid to let them show
Your true colors, true colors
Are beautiful, like a rainbow
