Well, I signed my name in the year of '01
Mother was gone
Father's only son
Said for God and Country
And all of your kind
But I ain't got nothing but you on my mind

Pretty brown haired girl in the summertime
Yellow dress all around
Blue eyes that I get lost in
Take my hand
Prettiest girl at the dance

Well, they flew me across the ocean so blue
But I ain't got nothing if I ain't got you
Then, they gave me a riffle and stood me in line
But, I ain't go nothing but you on my mind

Pretty brown haired girl in the summertime
Yellow dress falling down
Blue eyes that I get lost in
Take my hand
Let me be your man
Prettiest girl at the dance

Well, they flew me back home with a purple heart
But, my heart was broken because we were apart
Well, they flew me across the ocean so blue
But I ain't got nothing if I ain't got you

Pretty brown haired girl in the summertime
With her tears falling down
Blue eyes that I get lost in
Take my hand
Let me be your man
I swear to God
You're the prettiest girl at the dance

Take my hand
