Sara walks along the beach  
Holding hands with me  
Smiling as we go

Said that she is so in love  
And I'm staring at my feet  
Wondering how to spell her name

Sara don't know  
It takes a lot of love to live a lie  
I've often told  
And when I go  
I will leave between the middle of the night  
That's when I'll go

Sara's only seventeen  
And I'm barely twenty-one  
Too young to be a man

Now it's time for me to go  
And I have to let her know  
Well I hope she understands

Sara don't know  
It takes a lot of love to live a lie

That I've often told  
And when I go  
I will leave between the middle of the night  
That's when I'll go

Now I'm walking on the beach  
Salty summer breeze  
Broken heart in tow

Then the moment our eyes meet  
She smiles back at me  
As I begin to spell her name

Sara don't know  
It takes a lot of love to live a lie

That I'm often told  
And when I go  
I will leave between the middle of the night  
That's when I'll go
