"Virgin In The Fire"

Visit "[Virgin In The Fire](#)" on MotoLyrics.com

There's a virgin dancing in the fire
She won't give into her desire
There's a savior setting golden sun
Well he thinks he's the only one

And away
Will they wait for you
To do what you want to do
To do what you had to do
Cause I will wait for you
To do what you came to do
To do what you want to do

There's a building made of earth and stone
Left my children all alone
There's devil and I'm keeping score
Look out now he's locked the door

And away
Will they wait for you
To do what you had to do
To do what you came to do
Cause I will wait for you
To do what you came to do
To do what you want to do

And away
Will they wait for you
To do what you came to do
To do what you had to do
Cause I will wait for you
To do what you had to do
To do what you want to do
