While I'm far away from you, my baby
I know it's hard for you, my baby
Because it's hard for me, my baby
And the darkest hour is just before dawn

Each night before you go to bed, my baby
Whisper a little prayer for me, my baby
And then tell all the stars above:
This is dedicated to the one I love

Life can never be
Exactly like we want it to be
I could be satisfied
Knowing you love me
There's one thing I want you to do
Especially for me
And it's something that everybody needs

While I'm far away from you, my baby
Whisper a little prayer for me, my baby
Because it's hard for me, my baby
And the darkest hour it just before dawn

There's one thing I want you to do
Especially for me
And it's something everybody needs

Each night before you go to bed, my baby
Whisper a little prayer for me, my baby
And then tell all the stars above:
This is dedicated to the one I love

This is dedicated to the one I love
This is dedicated to the one I love
This is dedicated to the one I love
