Got a feelin? that I'm wasting time on you babe;
Got a feelin? that you've been untrue.
I got a feelin? that you're stealin?
All the love I thought I was giving to you.
Baby, it's true.

Got a feelin? that you're playing some game
with me babe;
Got a feelin? that you just can't see.
If you're entertaining any thought that
you're gaining
By causing me all of this pain and making me blue
The joke's on you.

When I get to feeling that you're stealing love
And I don't know why, baby,
It makes me so discouraged
I finally get the courage not to cry, babe,
Or even try, babe.

Got a feelin? that I'm wasting time on you babe;
Got a feelin? that you've been untrue.
I got a feelin? that you're stealin?
All the love I thought I was giving to you.
Baby, it's true; the joke's on you.
Baby it's true; the joke's on you.
