I can't wait to say good-bye;  
I can't wait to make you cry.  
I can't wait...I can't wait to let you down.

I can't wait...can't wait to hear you say  
That you love me and you'll change your ways,  
But I'll say...but I'll say I'll rather be  
free;  
It's gonna be so good for me  
And baby I can't wait---  
Baby, I can't wait (no).  
I can't wait to hear you plead;  
I can't wait---it's what I need.  
I can't wait (I can't wait ) to see you fall  
(Can't wait to see you fall...)  
I can't wait (can't wait) to hear you scream,  
Baby, when you know that it's the end of your  
dreams.  
Can't wait to see your face when I'll be packed  
up and leaving your place---  
And baby I can't wait (no).

I can't wait to say good-bye;  
I can't wait to make you cry.  
I can't wait...I can't wait to let you down  
(Can't wait to let you down...)  
I can't wait...can't wait to hear you say that  
you love me and you'll change your ways  
But I'll say...but I'll say I'll rather be  
free  
It's gonna be so good for me  
And, baby, I can't wait, no
