Safe in my garden,  
An ancient flower blooms.  
And the scent from it's nature  
Slowly squares my room;  
And it's perfume being such  
That it's causing me to swoon.  
Could it be we were hot-wired?  
(Safe in my garden, an ancient flower blooms...)  
Late one night; we're very tired.  
They stole our minds and thought we'll never  
know it.  
(And the scent from it's nature slowly squares my  
room...)  
With a bottle in each hand; too late to try to  
understand.  
We don't care where it lands---we just throw it.

Somebody take us away...  
Somebody take us away...

Safe in my garden,  
(Could it be we were hot-wired; late one night  
we're very tired...)  
An ancient flower blooms.  
(They stole our minds and thought we'll never  
know it...)  
And the scent from it's nature  
(With a bottle in each hand; too late to try to  
understand...)  
Slowly squares my room.  
(We don't care where it lands---we just throw it...)

(Somebody take us away...)  
And it's perfume being such  
That it's causing me to swoon.

When you go out in the street,  
So many hassles with the heat;  
No one there can fill your desire.  
Cops out with the megaphones,  
Telling people stay inside their home.  
Man, can't they see the world's on fire?

Somebody take us away...take us away...

Safe in our garden,  
An ancient flower blooms.  
And the scent from it's nature...  
(Cops out with the megaphones;  
Tellin?people stay inside their homes.)  
Man, the world's on fire.)  
Slowly squares my room.

Take us away...take us away...
